Dear Jane,

Here I am in Greece and I think this is the best holiday of my life. The flight was great. The weather in Chalkidiki is fantastic and the sea is really hot. I am staying at a small hotel by the sea.

Every day I go snorkelling and I sit in the sun. I want to look terrific when I come home. In the afternoons, I go sightseeing. I discovered that it is best to rent a car because some of the places of interest are quite far from the hotel. I often travel with some nice Spanish people I met at my hotel so I can practise my Spanish a bit. They are very friendly. Every night I go to different restaurants and clubs with them. I know my sister would love the clubs! They are really great. Guess who I met at a disco last night? My best friend, Gina! I was so surprised. I didn't know she was in Greece. We arranged to meet tomorrow morning. We want to look for some souvenirs in the local shops.

One more thing. Two days ago I went to watch the sun go down and I found something on the beach. It's the most beautiful piece of ancient jewellery.

I can't wait to see you. I will tell you all about Greece when I come back.

Love,  
Sophie
