Reading

Task 2. Read the text and write T (true) or F (false).

A day in the life of a ballet student

Michelle is a student at the Blanchard School of Ballet. She has lessons six days a week. On school days she gets up at seven and has breakfast in the canteen. The students and teachers eat together. Michelle has eggs, bread, jam and a glass of milk. Lessons start at half past eight. Michelle studies Maths, Science, Geography, History, Music, English, French and Italian.

Michelle has one ballet class at twelve o'clock. Then she has lunch. She doesn't eat a lot of food because she does ballet after lunch too. She practises from two to five. Then the last lesson of the day is an acting class. After that Michelle has a shower and she does her homework. Dinner is at eight and bedtime is at nine.

On Sundays there aren't any lessons. Michelle writes emails, plays tennis and talks to her friends. She goes to bed early and the school week begins again.
